

RoHS/REACH declaration of conformity

Date 01.08.2019

Declaration of conformity - RoHS

We hereby confirm the conformity of our products according to the RoHS Directive 2011/65/EU (RoHS II) and 2015/863/EU (RoHS 3) of the European Parliament and the Council on the restriction of the use of hazardous substances in electrical and electronic components and equipment, respectively, as well as compliance with the maximum permissible concentration in homogeneous materials in weight percentages <0.01% of cadmium, <0.1% of lead, mercury, hexavalent chromium (Cr6+), polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), diphthalate (DEHP), butylbenzylphthalate (BBP), dibutylphthalate (DBP) and diisobutylphthalate (DIBP) according to Annex II of the Directive.

mk-messtechnik GmbH hereby declares that all products are produced RoHS compliant unless otherwise stated. Exceptions according to annex III of the directive are:

- 6b Lead content in aluminium $\leq 0.4\%$
- 6c Percentage of lead in the copper $\leq 4\%$.
- 7a Articles and applications in which high-temperature solder with a lead content $>85\%$ must be used for application-related reasons

Declaration of conformity - REACH

As a manufacturer of electronic and electrical products mk-messtechnik GmbH is a "downstream user" in the sense of the REACH regulation 1907/2006. Obligations due to the production and marketing of substances / chemicals for pre-registration and registration (ECHA) are not applicable for us. Our products are articles and therefore cannot be defined as substances or preparations. Furthermore, no substance is released from our products under normal and foreseeable conditions of use. Therefore mk-messtechnik GmbH is neither subject to the obligation to register nor to create safety data sheets. In order to guarantee our customers the continuous supply of reliable and safe products, we make sure that our suppliers meet all requirements regarding chemical substances and materials, and thus no substances from the candidate list of substances of very high concern (SVHC) are used for the production of our products.

<http://echa.europa.eu/candidate-list-table>

In doing so, we comply with the obligations of the "ECHA Guidance for Downstream Users".

mk-messtechnik GmbH

Dr. Martin Kull
Managing Director
